

Faculty of Information Technology

Department: ALL

Academic year: 2024/2025 , Semester:II

Course Code: INSY 8314

Course name: **WEB DESIGN**

Instructor: RUTARINDWA JEAN PIERRE

**Question 1.**

Create the interface below with its two parts (**Registration form and Login form**). Create also the Database named " **AccountDB**" and the table named " **Credentials**".

- Use Registration form to create account (Signup)
- Use Login form to login (Checking records from Database)

**Note: use PHP to validate the form records from the database**

The image shows a mockup of a web interface with two forms side-by-side. The left form is titled 'Login Form' and has a red background with a white key icon. It contains fields for 'User-Name' and 'Password', and 'Login' and 'Cancel' buttons. The right form is titled 'Registration Form' and has a dark background with a starry pattern. It contains fields for 'FIRST-NAMES', 'LAST-NAME', 'ADDRESS', 'TELEPHONE', 'USER-NAME', and 'PASSWORD', and 'Signup' and 'Cancel' buttons.
